

# Help plant an orchard!

*Next event: Saturday 7<sup>th</sup> February 2015  
– tree planting day*

Meet 10.00am at the entrance to the Hanwell Meadows, Trumpers Way, W7 (at the bend of the road, 200m past the canal bridge). We will be planting 40 fruit trees. Tools, tea and coffee will be provided. Please wear suitable outdoor clothes and footwear.

## ***What is the Orchard Trail?***

*A community project to plant and care for a trail of native fruit trees around the outsides of the Hanwell Meadows (Trumpers Field, Jubilee Meadow and Blackberry Corner) for autumn foraging and for wildlife. We plan to plant 40 trees during winter 2014-15. We then hope to extend the trail along the canal in either direction into other parks in Hanwell and Norwood Green*
